

RAHIL AL-JASSASI

MULTIMEDIA SPECIALIST

ABOUT

I'm a resilient hard worker who thrives on ensuring that jobs are done to perfection. I maintain my composure under pressure and am committed to deadlines. I have gained leadership and communication skills through planning and managing projects with my teams. I'm also a fast learner and enjoy challenging myself and learning new skills. In my free time, I'm either exploring new recipes in the kitchen or hiding in the greenery with good coffee!

EXPERIENCE

March 2024 – Present

Adobe Student Ambassador | UWE Bristol, UK

Tasked with helping students harness their creativity using Adobe creative suite tools. This role also involves organising and participating in events to build a vibrant creative community.

October 2023 – March 2024

Piano Mapping III | Creative Designer | UWE Bristol, UK

Collaborated closely with the client, utilising various software to create reactive visual projections for live piano performances, aiming for emotionally resonant experiences.

April 2023 – Present

Designer | Foundry UWE | Bristol, UK

I was selected as a designer for the Foundry studio at my university. In this role, our team is responsible for creating various assets for events hosted in this space.

2023 - 2022

Live Brief | User Experience Research | Bristol, UK

Received guidance from industry expert Gary Carr, analysing data and designing a student-focused app for sustainable food choices. Researched market trends and user preferences to inform UX decisions.

October 2023 – 2019

Digital Media Designer | PixoPros | Muscat, Oman

Utilised various software tools to create digital content for social media, including photo and video editing, website development, and 2D/3D animation. Managed projects to meet deadlines.

September 2020 – April 2021

Proofreader | SawtiHyat | Muscat, Oman

Collaborated on the Masark program to produce podcasts, providing proofreading, language enhancement, and feedback for improvement.

November 2017 – September 2019

Designer (Freelancing) | INVESTING THRONES | Muscat, Oman

Developed cohesive visual branding for the mother company and subsidiaries, including digital and print media. Contributed to social media content creation and website development.
